How to Apply for Medicaid Online

Step 1: Gather the following information for all individuals for whom you will be applying.

- Social Security Number
- Date of Birth
- Income (includes jobs, child support and other sources of income)
- Assets (includes bank account balances, vehicles, homes, land & life insurance)
- Housing Expenses (includes rent and utilities)
- Health Insurance Information

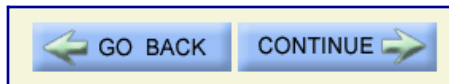

Step 2: Type the following line into the Address Bar of your browser and press enter.

<http://www.myflorida.com/accessflorida/>

Step 3: Click on [Apply Now for Food Stamps, Temporary Cash Assistance or Medicaid](#) at the next two screens.

Step 4: Make the appropriate selections on the next screens and navigate forward by using the icons at the bottom of the page.

Step 5: Create a password. Your password must be 6 to 8 characters long.

ACCESS Online Number: 601182279	
Please create a password. This will be required with the ACCESS online number if you need to exit and return later.	
Enter a password <input type="text"/>	Password must be 6 to 8 characters long
Re-enter Password <input type="text"/>	

Please save your ACCESS online number and password. You will need this number and password later to complete or change your unfinished application.

Step 6: Enter all other required information. Please allow 15 to 30 days for your application to be processed. Some applications for Medicaid may take longer.

If you need to stop at any time during the application process, click “Save & Quit” at the top of the screen. You can come back to your application later or make changes by going to the Access Florida web site and entering your ACCESS Online Number and your password.
