April is a favorite month for libraries because we celebrate National Library Week this month. Libraries truly add value to the community with the wide array of free resources that they provide for people of all ages. In recognition of this, we invite you to join the Friends of the Library. Memberships start at just $15 a year, and allow the library to continue offering all its great services to our patrons. If you join this month, you will be entered in a drawing to win wonderful prizes including a resort stay, movie passes and more. Please see page 12 for details.

And who doesn't love pizza? Well this month, dining on a delicious pizza can help the library. Dine at Anthony’s Coal Fired Pizza at 8031 Turkey Lake Road any Thursday in April and mention the library, and the restaurant will donate 20 percent of your bill to OCLS. Now that’s a good excuse for eating out.

Benjamin Franklin once said there were only two things certain in life: death and taxes. The IRS tax filing deadline is Wednesday, April 15. If you’re up against that deadline, the library can help.
