FROM THE DIRECTOR

Where did the summer go? It’s hard to believe that the kids head back to school this month. But before that happens, OCLS wants to thank the thousands of area students who participated in our annual Summer Reading Program. It was a tremendous success and we invite you to celebrate with us at our end-of-summer festivities at the Orlando Public Library this month. The children’s celebration will be Saturday, August 8 at 3 p.m. The tween/teen celebration will be Wednesday, August 5 at 3 p.m. in Library Central. Both include the chance to win great prizes. Hope to see you there!

Back-to-school means the sometimes difficult transition back to homework, assignments and more. OCLS is here to help. We have many resources including free tutoring, test preparation, after school learning activities and homework help. Please check out all that’s available at ocls.info.

Unfortunately, the new school year also brings added stress with hectic mornings of getting lunches made and getting everyone out the door on time. Then there are the evenings filled with homework and school projects. Not to worry! OCLS has the solution for you. We are offering a Stress Buster Coloring Hour for Adults at two library locations this month. Please see page 7 for details. We wish everyone a stress-free and successful school year.
