FROM THE DIRECTOR

Remember when all fats used to be taboo in a healthy diet? Well, that’s no longer the case. Pressed from olives, extra virgin olive oil is loaded with antioxidants and healthy fats. Nutritionists have long touted the heart-healthy benefits of extra-virgin olive oil. Regular consumption of olive oil can significantly lower the risk of having a heart attack or suffering a stroke. Learn about additional health benefits and sample a selection of olive oils at The Sacred Olive event at the Winter Garden Branch on Thursday, October 15 at 6:30 p.m.

Coloring isn’t just for kids and the Orange County Library System invites you to catch onto the adult coloring craze. We’ll provide all supplies and all you have to do is show up for one of our coloring sessions being offered at two locations this month. It’s a great way to de-stress and tap into your creativity. See page 8 for details.

October brings Halloween, one of my favorite holidays, and the library is celebrating in grand fashion with a whole host of events at multiple locations. Please check out pages 16 -17 to find a Halloween happening near you. Enjoy!
