### **Adobe Photoshop: Skin Retouching**

Orlando Public Library, Melrose Center, 101 E. Central Blvd.

*Saturday, April 28, 3:30 p.m.*

Discover how to achieve flawless and smooth skin on your photographs. Work with commonly used tools and techniques to remove blemishes, soften skin and restore an image's texture.

### **New! Orlando Melrose Makers Meetup: How to Buy a 3D Printer**

Orlando Public Library, Melrose Center, 101 E. Central Blvd.

*Saturday, April 28, 2 p.m.*

There are so many 3D printer options today! Is it better to buy a DIY kit or a preassembled printer? Should I get an acrylic or heated print bed? Do I need a traditional FDM printer that uses plastic filament or an SLA printer that uses a liquid resin? Join Melrose Fab Lab staff as they help demystify the types, form factors and materials needed to achieve the results you desire from your next 3D printer.

### **Family STEM Saturdays**

Orlando Public Library, Melrose Center, 101 E. Central Blvd.

Saturdays, April 7 & 21, 10 a.m.

Build and play with science and technology at the Melrose Center! Bring your family, bring yourself and see what wonderful things we have to offer. Available resources include LittleBits, Snap Circuits and Lego WeDo. All ages. Attendees under the age of 14 must be accompanied by a parent.
