

News from the Orange County Library System

Feb. 27, 2018

Contact: Erin Sullivan, 407-835-7480, sullivan.erin@ocls.info

Free Wifi is now available at all Orange County Library System locations

In February, the library began to offer free wifi to all visitors during business hours. Access to wifi will only be available during hours of operation, however no library card will be necessary for login. Visit your nearest branch location along with your device and enjoy!
