Public Comment Policy

ORANGE COUNTY LIBRARY SYSTEM
Public Comment and Conduct of Meetings Policy and Procedures

Effective Date: October 1, 2013 (Approved by the Board of Trustees on September 11, 2013)

Objective: The objective of this policy is to establish standard procedures to ensure an opportunity for broad public participation in decision-making.

Policy Statement: It is the intent of this policy that the deliberations and actions of the Board of Trustees of the Orange County Library System (“OCLS”) be conducted and taken openly in order that the public and relevant stakeholders may be fully informed and intelligently advised as to the conduct of public business by the Board of Trustees.

Definitions: For the purpose of this policy, the following definitions shall prevail:

1. A “meeting” is a gathering of a quorum of the membership of the Board of Trustees, or any board or commission of OCLS for the purpose of receiving information relating to public business, or for discussion of public business, or for official action upon a proposition related to public business.

2. A “regular meeting” is a meeting held pursuant to a schedule of such meetings as approved by a board or commission to conduct public business or otherwise discuss or act upon matters of public interest.

3. A “special meeting” is any meeting other than a regular meeting held by a board or commission. A “special meeting” is held for the purpose of addressing matters requiring the immediate attention of a board or commission or for the purpose of addressing matters which the board or commission has determined are best addressed at a special meeting. When a special meeting is called, the presiding officer of the board or commission shall specifically state the purpose of the meeting and the board or commission shall address only those matters for which the meeting was called.

4. A “board or commission” shall refer to the Board of Trustees of OCLS and any other board or commission now existing or created in the future by the Board of Trustees or OCLS.

5. The “presiding officer” shall mean, in the case of the Board of the Directors the chair and in all other cases shall be the chair of a particular OCLS board or commission.

6. “Board of Trustees” shall refer to the Board of Trustees of OCLS.

Meetings:

1. Location. All meetings of the Board of Trustees and any other board or commission shall be held in a suitable location and shall be open to the public as required by law. The only exception to the requirement that meetings be open to the public shall be an executive session scheduled for those purposes expressly recognized by law.

2. Regular Meetings. The Board of Trustees and the other boards and commissions shall hold regular monthly meetings as designated by the Board of Trustees or the other boards and commissions.
Public Notice. OCLS shall give public notice of the schedule of meetings and shall state the dates, times and places for such meetings. Public notice of any special meeting or of any reconvened meeting shall be given before such meeting. Public notice shall be given by posting the date and time of the meetings on the OCLS website, the public bulletin boards at all OCLS locations and the Orange County Administration Building. Notice will also be published in the Orlando Sentinel as required by Section 189.417 of the Florida Statutes.

Conduct of Meetings:

1. The presiding officer shall preserve order and decorum at all meetings.

2. When considering matters upon which the board or commission will take action the presiding officer shall receive comments from the public.

3. During any board or commission meeting, board and commission members shall maintain order and decorum.

4. OCLS staff and citizens must be recognized by the presiding officer before speaking or asking questions. The purpose of this requirement is so that there is order and so that the recording equipment will properly record all comments made by individuals wishing to comment on a specific subject.

5. All comments must be made from the podium which is located in the OCLS meeting room or by other reasonable accommodations in any other location in which a board or commission meeting is held, and shall address the subject of the agenda item. Individuals that appear before any board or commission are required to state their legal name and their actual address for the public record. The purpose of this requirement is so that they are properly reflected in any board or commission minutes and are available for future reference.

6. As a board or commission considers consent agenda items, emergency items, items involving official acts that involve no more than a ministerial act, approval of minutes, ceremonial proclamations and other similar items, the presiding officer may, at his discretion, or at the direction of a majority of the board or commission, accept comments from those in attendance.

Public Participation and Comment: In order to comply with Section 286.0114 of the Florida Statutes, OCLS hereby establishes a Public Comment Policy applicable to all boards and commissions to allow members of the public an opportunity to address boards and commissions. In addition to public hearings, a special time is hereby set aside at all board and commission meetings for the purpose of receiving comments and suggestions from members of the public. All comments made during any Public Comment period shall be subject to the following procedures:

1. OCLS allocates up to 30 minutes at the end of each board or commission meeting for citizens who wish to appear before that board or commission to make a request of that board or commission, voice a complaint or concern, express an opinion, or for some other type of recognition. The presiding officer will divide the time equally between all who have signed up to speak; but in no case may a citizen speak longer than three minutes. A Public Comment period not to exceed 30 minutes will be held during any board or commission meeting. The presiding officer may permit additional time to a given speaker on a case-by-case basis.

2. Public comments of items listed on the agenda will occur just prior to the Board’s discussion and action of the agenda item. Public comments of items not listed on the agenda will occur at the end of the meeting agenda.

3. When a board or commission considers matters during a public meeting upon which it will take action, no action shall be taken until the presiding officer requests and receives comments from the public.

4. Persons who wish to make a statement during the Public Comment period will register on a Notice of Intent to Speak Form which will be available 30 minutes before the start of the meeting. Information included on the Notice of Intent to Speak forms will be included in the Board Meeting Minutes and thus become public record. No one will be allowed to have his or her name placed on the list by telephone request to OCLS staff.

5. Each person who signed up to speak will have up to three minutes to make his or her statement. Speakers will be acknowledged by the presiding officer in the order which the Notice of Intent to Speak Form was received by the Board of Trustee’s administrative assistant. Speakers shall address that board or commission from the podium, and
 Speakers will begin their statement by first stating their legal name and actual address.

6. Statements are to be directed to the board or commission as a whole, and not to individuals. Public comment is not intended to require a board or commission to provide an answer to the speaker. Discussions between speakers and members of the audience will not be allowed.

7. Speakers will be courteous in their language and presentation.

8. Only one speaker will be acknowledged at a time. In the event a group of persons supporting or opposing the same position desires to be heard, in the interest of time, a spokesperson shall be designated to express the group’s concerns. Likewise, in the event the number of persons wishing to attend the hearing exceeds the capacity of the meeting place, one or more delegates shall be selected to speak on behalf of each group. If the time period expires before all persons who have signed up get to speak, those names will be carried over to the next Public Comment period, or if the presiding officer consents, these comments can be heard at that meeting.

9. Any action on items brought up during the Public Comment period will be at the discretion of that board or commission. No board or commission will take any action on subject matter for which it has not had the opportunity to fully investigate and gather complete information.

10. These same rules shall apply to all boards and commissions.

**Decorum:** The presiding officer shall preserve strict order and decorum at all meetings.

1. In conducting business, boards and commissions are committed to the principles of civility, honor, and dignity. Individuals appearing before boards and commission are requested to observe the same principles when making comments on items and issues presented to a given board or commission for its consideration.

2. Staff members and citizens are required to use proper language when addressing a board or commission or the audience. Staff members and citizens shall not use profanity or cursing, aggressive or threatening behavior when addressing the board or commission or other participants. All comments are directed to the presiding officer and not to individual members of the board or commission or to the audience. No personal verbal attacks toward any individual will be allowed during the conduct of a board or commission meeting. The presiding officer may have individual(s) removed from the podium and/or meeting chambers if such conduct persists after a warning has been issued.

3. All members of a board or commission shall accord the utmost courtesy to each other, staff, and the public members appearing before the board or commission and shall refrain at all times from rude and derogatory remarks, reflections as to integrity, abusive comments and statements as to motives and personalities. During board or commission meetings, cell phones are to be turned off or silenced. Use of cell phones by board or commission members and staff for talking, texting, emailing or otherwise will not be allowed during meetings while at the dais, except for emergency communications, research, or during breaks.

**Waiver of Rules:** The board or commission may, at any time, waive all or a portion of these rules of procedure during the course of a meeting. Provided however, that any such waiver shall only be done upon a motion and majority approval of the waiver by members of the board or commission present and voting. Such waivers shall only be granted to insure the protection of the right of members of the public to be given a reasonable opportunity to be heard before a board or commission takes official action on a proposition.

**Training:** Periodic training for Sunshine Law requirements will be scheduled by OCLS for board and commission members.

**Penalties:** Any action taken at a meeting not open to the public, whether intentional or unintentional, is void. The law provides penalties for not complying with the Sunshine Law including criminal penalties, removal from the board position, fines up to $500, and an award of reasonable attorney’s fees against the board found to have violated the Sunshine Law.
Orange County Library System
Board of Trustees Meeting
June 13, 2019

Approval of Minutes:
Library Board of Trustees Meeting
May 9, 2019
MEETING MINUTES
ORANGE COUNTY LIBRARY SYSTEM BOARD OF TRUSTEES
May 9, 2019 ~ 6:00 p.m.
Orlando Public Library
101 East Central Boulevard
Orlando, Florida 32801
407.835.READ (7323)

Library Board Present: Lisa Franchina (5/0); Marucci Guzmán (5/1);
Ted Maines (8/2 - City); Richard Maladecki (5/0);
Nicole Benjamin (2/0 – City)

Administration Present: Mary Anne Hodel; Debbie Tour; Danielle King; Steve Powell;
Ricardo Viera; Bethany Stone; Kris Shoemaker;
Milinda Neusaenger

I. Call to Order
President Franchina called the meeting to order at 6:08 p.m.

II. Public Comment Policy & Procedures

III. Approval of Minutes: Library Board of Trustees Meeting ~ April 11, 2019
Vice President Guzmán, seconded by Trustee Maladecki, moved to approve the minutes for
the April 11, 2019 Library Board of Trustees Meeting. Motion carried 5-0.

IV. Staff Presentation: EPOCH – Electronically Preserving Obituaries as
Cultural Heritage ~ Matthew David, Stephanie Lum & Selena Raghunath

V. Financial Statements and Summaries: April 2019
Brief discussion ensued regarding State Aid funding, the amount received is less
than the amount budgeted. CFO Shoemaker assured the Board there is not an issue with
the difference.

VI. Dashboard: April 2019
COO Powell gave a brief summary of the April statistics.

VII. Action Items

IX. Information
Staff Survey 2019: Kim Bennett
Human Resources Manager, Kim Bennett, gave a brief summary of the 2019 Staff Survey and the results. She stated that the overall results were positive. She also shared that the top five favorable and bottom five least favorable items were highlighted in the summary.

Director’s Report
The Grand Opening of the new Fairview Shores Branch is scheduled for 8 June at 10:00 a.m. I hope you all can be there. A day of activities, fun and prizes is planned.

The Orlando Book Festival will be held at the Orlando Public Library on 18 May and features authors Daniel José Older, Delilah S. Dawson, Jim Clark and Alyssa Maxwell. Book signings with all the authors will follow their presentations.

The Orange County History Center won the IMLS award this year, the same that OCLS won last year. Congratulations to the History Center.

President Franchina and I had a nice meeting with Commissioner Regina Hill. We shared with her all of the services we offer and she is interested in the Children’s programs and Spanish Classes. She said she will have the City staff help with the cleanliness around Wall street.

Public Comment: Non-Agenda Items
Jonathan Blount – Orange County resident and library card holder, spoke about diversity in the Library.

Adjournment
President Franchina adjourned the meeting at 7:00 p.m.

Next Meeting Dates: June 13, 2019; Orlando Public Library; 101 East Central Boulevard; Orlando, Florida 32801 --- July 11, 2019 ~ Orlando Public Library; 101 East Central Boulevard; Orlando, Florida 32801

Florida Statutes section 286.0105: If any person desires to appeal any decision with respect to any matter considered at a Library Board of Trustees meeting, such person will need a record of the proceedings; for this purpose, such person may need to ensure that a verbatim record of the proceedings is made to include the testimony and evidence upon which the appeal is to be based.

In accordance with the Americans with Disabilities Act, any person requiring special accommodations to participate in this proceeding due to a disability as defined by ADA may arrange for reasonable accommodations by contacting the Director’s Office on the fifth floor of the Main Library in person or by phone at 407.835.7611 at least two days prior to the meeting.

Financial Statements & Summaries
Budget Preview: FY 2020
Budget Preview: FY 2020
FY 2019-20 Budget Preview

Timing of Budget Presentation

At the June 13th Library Board meeting, staff will make a brief presentation summarizing the preliminary FY 2019-20 budget, based on the initial property values just released by the Property Appraiser’s office and will address any questions. The presentation is for informational purposes only and no action on the part of the Board will be requested at this meeting. The information on the attached pages provides the highlights of next year’s budget. The normal budget notebook will be included with the July Board packet and the Board will be asked to formally approve the FY 2019-20 budget at that meeting. Some accounts, including ad valorem taxes and reserves, will change between the preliminary and final budgets, but the changes are not expected to be significant.

FY 2019-20 Preliminary Operating Fund Budget – The Big Picture View

The Library's millage rate, .3748, has remained the same since FY 08. The Orange County Budget Office has confirmed the intent to maintain the County's millage rate next year, so our recommendation is to do so as well.

Overall, next year’s Operating Fund budget reflects a 10.6% increase. Much of the increase has to do with the increase in Ad Valorem Taxes and the $500,000 Grant from the County’s Citizen Review Panel

Details of the FY 19 Preliminary Operating Fund Budget are summarized on the following pages.
## Preliminary FY 2019-20 Operating Fund Expenditure Budget

FY 2019-20 Operating Fund
Preliminary Revenue Highlights

Ad Valorem Taxes ($47,780,000)
Based on the information provided by the Property Appraiser’s Office, property values are up 8.8%. With this increase and no change in the millage rate of .3748, tax revenues are up $3,875,000.

State Aid ($830,000)
As has been our practice, the amount included in next year’s budget reflects the funding level received for the current fiscal year.

Fines & Lost Materials ($600,000)
There is no change in the budget for this account.

Investment Earnings ($350,000)
Rates have been rising and that is reflected in higher investment earnings. The budget for this account was increased by $150,000 based on FY 2018-19 estimated Investment Earnings.

Grants and Awards ($540,000)
The budget for this account was increased by $520,000 based primarily on the Orange County Citizen Review Panel Grant in the amount of $500,000.

Internet Rebate ($80,000)
The Universal Service Schools and Libraries Program, which is a Federal program commonly known as “E-Rate,” provides rebates up to 80% of qualified telecommunication and Internet access charges to assist schools and libraries in the United States to obtain affordable telecommunications and Internet access. The Library has received rebates on Internet and Metro-Ethernet network services. The budget for next year reflects a slight increase over FY 2018-19 budget. This revenue stream varies year by year based on which E-Rate eligible services the Library acquires during the year.

Reserves ($10,750,000)
This is the amount of Reserves that are eligible for spending.
FY 2019-20 Operating Fund
Preliminary Expenditure Highlights

Salaries & Benefits

Salaries ($18,433,000)

✓ The FY 2019-20 budget includes 277 full time and 168 part time positions, which represents an increase of 10 full time and a decrease of 4 part time positions. These staffing numbers reflect 11 positions (5 full time and 6 part time) for a leased Horizon West location for 6 months.

✓ The FY 2019-20 Budget Guidelines from Mayor Demings includes a 4% salary increase for County staff. Accordingly, Library staff will receive a 4% increase in October 2019. The Library provides a merit component to high performers through additional vacation or part time leave and staff have the option of cashing out this leave at the time of their annual performance evaluation. Additionally, the Library is increasing non-exempt staff minimum pay by $0.50 per hour to stay competitive with the local job market and to stem turnover.

Defined Contribution Pension Plan ($1,382,000)

Library employees have not participated in Social Security since shortly after the District was formed in September 1980. Instead, a defined contribution pension plan was established for all staff. The Plan requires that the Library contribute 7.5% of each employee’s bi-weekly salary. Vesting is immediate and benefits are payable in a lump sum at termination/retirement. The $49,000 increase in this account is due to higher budgeted salaries based on additional staff and 4% salary increase.

Defined Benefit Pension Plan ($850,000)

This Plan is a traditional retirement plan covering full time employees hired prior to January 1, 2007. The normal retirement benefit (2% of an employee’s final five (5) year average earnings multiplied by years of service minus one year) is calculated at age 65. Employees who are vested and have at least 10 years of service may retire as early as 55 at a reduced benefit: 5% reduction for each year prior to age 65. As of January 1, 2019, 76 active employees were participants in this Plan.

Contributions to the Plan are actuarially determined at the beginning of each calendar year. The $150,000 increase in projected contributions for next fiscal year is largely due to the loss on investments in 2018. Note, as of April, 2019 the loss on investment had been recouped. This Plan was closed to new employees starting in January 2007.
Money Purchase Pension Plan ($939,000)

Effective January 1, 2007, new full time hires no longer participate in the Defined Benefit Pension Plan, but instead are enrolled in this Plan. The Plan requires that the Library contribute 9% of each employee’s bi-weekly salary. The vesting period is one year and benefits are payable in a variety of forms, including lump sum and installments. The $100,000 increase is due to higher budgeted salaries, additional staff and to the fact that every new full-time hire is enrolled in this Plan.

Life and Health Insurance ($3,326,000)

The Library pays the medical and dental premiums for each full time employee and the employee is responsible for the cost of any dependent coverage: spouse, children, or family. In accordance with the Affordable Care Act (ACA), the Library also provides separate health care coverage to part time employees who are paid, on average, 30 hours or more per week. An increase in the projected number of part time employees eligible for the coverage from 46 to 68 combined with a 5% projected increase in premiums are the reason for the $199,000 increase.

Retiree Health Care ($724,000)

Local governments are required to reflect the true cost of retiree healthcare during the employee’s tenure rather than the “Pay as You Go” system that was common up until 2007. A trust fund was established in 2007 and the Library has since been funding this benefit in a fashion similar to a pension. Contributions to the Plan are actuarially determined.

The previous retiree health care benefit only covered full time employees hired before January 1, 2007. In April, 2019, the Board approved a new, limited benefit for employees hired after that date. The $184,000 increase for this account, reflects the cost of this new benefit, as well as a loss on investments in 2018.

Parking and Bus Passes ($221,000)

For Main Library employees, the Library leases approximately 151 parking spaces in the City of Orlando garage across from the Main Library. The Library also offers LYNX bus passes in lieu of parking at the employee’s choice. Branches have free parking. The budget for this account reflects a nominal decrease of $4,000.

Overall, salaries and benefits for next fiscal year are up $1,362,000 or 5.5%.
Operating

Professional Services ($236,000)

Examples of services charged to this account include the following:

- Actuaries (pension, health insurance, retiree health care)
- Auditors
- Attorneys (general counsel, labor, construction, pension)
- Insurance broker
- Compensation consultant

There is a nominal $4,000 decrease in the budget for this account.

Other Contractual Services ($2,425,000)

Services charged to this account include the following:

- Off duty police officer coverage (Main Library, South Trail, Hiawassee, Washington Park, and Herndon Branches)
- Collection agency (collection services and renewal notices)
- Marketing
- Programming
- Branch deliveries
- Social worker services
- Debit/credit card charges
- Advertising for legal notices
- OCLC (provider of bibliographic information for cataloging)
- Armored car pickup service for all locations
- Moving services
- Pre-employment background checks
- Exterminating services
- Digitization services
- General consulting services
- Lake Eola Meeting Room feasibility study
- Services associated with the Orange County Citizens’ Review Panel (CRP) Grant

The $650,000 increase in the budget is primarily due to the planned feasibility study, the required programming costs related to the County’s Citizen Review Panel Grant, increased costs for police officer coverage, branch deliveries and debit/credit card charges.
Other Contractual Services – Janitorial ($349,000)

At the Main Library, the custodians are Library employees but in the branches, we contract with a private vendor, Florida Cleaning System, for janitorial cleaning services. The Library also has contracts with vendors to pressure clean exteriors of the branches, clean the carpets in the branches, and clean the windows in all of our facilities. The $9,000 increase in the budget for this account is due to anticipated cost increase for exterior and carpet cleaning services.

Training and Travel ($79,000)

Charges to this account include:

- Mileage, parking, and tolls reimbursements to staff
- Group training
- Seminars and conferences for individual staff

The $4,000 increase in the budget for this account is related to additional professional development of the Library staff, including required Continuing Professional Education (CPE) credits to maintain their certifications.

Telecommunication ($300,000)

Telecommunication services including Internet connections, Metro-Ethernet branch connections, and Voice-Over Internet Protocol are charged to this account. There is no change in the budget for this account.

Delivery and Postage ($1,135,000)

The following are charged to this account:

- Payments to the vendor, Priority Express Parcel (PEP), for deliveries to patrons for our MAYL program
- Payments to the Post Office for deliveries to patrons for our MAYL program in areas of the District which are not served by PEP
- Payments to the Post Office for general mail service
- Federal Express charges

The budget for this account was increased $49,000 to reflect the actual amount being paid to Priority Express Parcel.

Utilities ($971,000)

Included in this account are charges for water, sewer, trash, and electricity for all of our facilities. The Library has and will continue to implement energy saving changes such as LED lighting, programable thermostats, motion activated lights in offices, etc. The $21,000 increase is based on an anticipated rate increase from Duke Energy.
Rentals and Leases ($1,476,000)

This account reflects the leasing costs of the South Trail, Fairview Shores, Hiawassee, Southeast, Southwest, Herndon, and Eatonville Branches. We also lease Washington Park and Windermere, but there are no lease charges for those facilities. Next year’s budget reflects a $153,000 increase as we have included additional funds for a new leased facility in Horizon West, based on current market conditions in that area, and the higher rent for Fairview Shores.

Insurance ($346,000)

Insurance coverage charged to this account includes the following:

✓ General liability
✓ Property
✓ Public officials
✓ Flood
✓ Employment practices
✓ Fiduciary (pensions)

Periodically, we have our facilities appraised to make sure the insured values approximate market value. The $16,000 increase in this account is based on estimates provided by our insurance broker.

Repairs and Maintenance ($1,252,000)

The Library System consists of the Main Library and 15 branches for a total of approximately 460,000 square feet. Repairs and routine maintenance include the following services:

✓ Plumbers
✓ Electricians
✓ Locksmiths
✓ Heating, ventilating, and air conditioning
✓ Elevators
✓ Painters
✓ Handyman
✓ Landscaping
✓ Roofers
✓ Fire alarms, sprinkler systems
✓ Building security and camera systems
✓ 3M self check systems

The cost to maintain our facilities and equipment is partly a function of our size. Additionally, our facilities and equipment are well maintained and our goal is to keep them in that condition. The $102,000 increase in the budget for this account is due to anticipated repairs to aging HVAC systems, camera replacements and enhanced landscaping at branches.
Repairs and Maintenance – Hardware/Software ($950,000)

Examples of items charged to this account include maintenance contracts, application service contracts wherein the vendor supplies the hardware and software, and technology repairs for the following:

- Library automation system
- Antivirus software
- Internet filtering software
- Employee evaluation software
- Technology backbone (routers, switches, and firewall)
- Accounting, payroll, and time and attendance software
- Vocera (hands free communication system)
- Citrix software (allows for centralized upgrading of commonly used applications like Microsoft Word)
- PC reservation, printing, scanning, copying, and faxing
- Applicant tracking
- Adobe Cloud Connect

The Library pays maintenance and service contracts for over 50 software applications. The budget for this account was increased by $70,000 to reflect our increasing use of technology, all of which needs to be supported and maintained.

Copying/Printing ($257,000)

The Library contracts with a vendor, EGP, to provide printers and “all in one” machines (fax, scan, print, copy) throughout the system. We pay EGP for each copy made and they are responsible for providing the machines, service, and supplies excluding the paper. The cost to the Library is 1 cent for each black and white print and 7.5 cents for each color print.

Large print jobs sent to external printers are charged to this account. This account has a nominal increase of $2,000.

Property Appraiser’s Fee ($395,000)

The Orange County Property Appraiser determines the value of property for each taxing agency in the County for ad valorem tax purposes. In exchange for providing this service, each taxing agency is charged for a portion of the Appraiser’s budget. The Property Appraiser’s office could not give us the amount of the charge for next fiscal year, so we have estimated it at $395,000, an increase of $70,000.

Tax Collector’s Fee ($956,000)

The Orange County Tax Collector collects taxes from property owners in the County and distributes the tax revenues to the appropriate taxing agencies. The Collector’s fee is 2% of the taxes collected. Due to an increase in property tax revenues, the budget for this account is increasing $66,000.
**Supplies ($700,000)**

Examples of supplies used throughout the system and charged to this account including the following:

- Office supplies
- Janitorial supplies
- Paper
- RFID tags for self check locations
- Program Supplies
- Furniture and equipment items with unit costs less than $1,000

The $150,000 increase in this account is due mainly to replacing staff chairs throughout the branches that have reached the end of their useful life and can no longer be cleaned. Additionally, we have provided funds for replacement of microscopes and sewing machines for our science and sewing classes.

**Supplies – Hardware/Software ($350,000)**

This account includes technology items with a unit cost of less than $1,000, which are considered supplies. The proposed budget consists of the following:

- Replace PC’s out of warranty $250,000
- Replace printers, barcode scanners, & monitors 50,000
- Purchase tablets, software, and other supplies 30,000
- Other 20,000

There is no change in the budget for this account.

*Overall, operating expenditures for next fiscal year are up $1,353,000 or 12.5%.*
Capital Outlay

Building and Improvements ($2,323,000)

The proposed budget includes the following:

- Remodel South Trail, Southwest, Southeast Branches Restrooms $450,000
- Replace Main Library generator & fuel tank 450,000
- Refresh South Trail, Southwest, Southeast & Alafaya Paint Carpet etc. 400,000
- Horizon West build out estimate 250,000
- Update cameras to IP and install additional cameras in Branches 150,000
- Update Main Library and Branch HVAC controls 135,000
- Update Melrose Center Stage Lighting and AV Equipment 125,000
- Replace Lights to LEDs, Reseal Parking Lots, Paint Chickasaw Exterior 100,000
- Children Department Remodel Design 100,000
- Circulation Desk Replacement As Needed 100,000
- Other 63,000

Equipment and Furniture ($143,000)

The following are included in the budget for this account:

- Furniture and Fixtures at Branches $75,000
- Furniture and Fixtures at Main 25,000
- Other projects 43,000

Hardware/Software ($670,000)

This account includes technology items with a unit cost of more than $1,000. The proposed budget includes the following:

- Servers/cloud storage $250,000
- Self Check Out Upgrade 100,000
- Laptops 75,000
- Digital content enhancement 50,000
- Integrated library system enhancements 50,000
- Mobil Check Out 25,000
- Melrose Center iMac and Windows computers 25,000
- E- Book lending 25,000
- Video equipment 15,000
- Other projects 55,000

Overall, capital outlay expenditures for next fiscal year are down $439,000 or 12.3%.
Library Materials – Other ($4,680,000)

The budget for this account covers the purchase of all materials, whether electronic or physical. There is a $180,000 increase to reflect the higher cost of some electronic material.

Transfer to Capital Projects Fund ($4,000,000)

To support future branch development, $4,000,000 is being transferred to the Capital Projects Fund. The budget for this account has been increased by $700,000.

Transfer to Sinking / RR&R Fund ($500,000)

Previously, a Board member recommended that we annually set aside funds for futures repairs/replacements to both our facilities and technology. For example, the roof at the Main Library will need to be replaced again and this cost easily will exceed $1,000,000. We set up a “Sinking Fund” to fund these repairs/replacements and began to fund it annually. We had funded it annually for just a few years but stopped once property values plummeted in 2008 and we were forced to reduce out budget. Given the increase in property values over the last several years, we believe the time is right to resume setting aside money annually for this Sinking Fund. Rather than funding for both facilities and technology, we believe the need is greater for facilities and don’t anticipate significant technology purchases down the road. Any technology purchases can probably be accommodated through our annual budgeting process. Included in next year’s budget is $500,000 for a transfer to the Sinking Fund.

The FY 2019-20 budget reflects a $5,917,000 increase, or 10.6%, compared to the current year budget.
FY 2019-20 Non-Operating Fund
Preliminary Expenditure Highlights

**Capital Projects Fund ($13,608,000)**

The purpose of this fund is to account for the revenues and expenditures related to the acquisition of land, construction, opening day collections, and furniture and equipment for new branch facilities. $375,000 of the budget is earmarked for a new branch location and the balance of the budget is reserved for future branch development.

**Sinking/RR&R Fund ($1,276,000)**

The purpose of this fund is to provide funding for significant future building improvements and technology purchases. No purchases or projects are planned for next fiscal year. The entire budget is reserved for future building and technology improvements.

**Permanent Fund ($209,000)**

In October 2015, Mr. Kendrick Melrose donated $500,000 to the Library. Per the terms of the donation agreement, the $500,000 principal shall remain intact and periodically the earnings shall be used for technology upgrades to the Melrose Center in the Main Library. $50,000 has been budgeted in FY 2019-20 for Melrose Center equipment replacement and the balance of the budget is reserved for future technology improvements.

Financial Reports: May 2019
Operating Fund Revenue & Expenditure Summaries:

State Aid:
The Library budgeted $982,000 for State Aid Revenues in FY 2018-19 based on FY 2017-18 actuals. We received $830,417 from the State in April, which will be the total allotment for FY 2018-19 based on the Legislature’s funding for this year.

PC Pass and PC Express:
Revenues from PC Pass and PC Express are at 41% and 42% respectively of budget vs 67% of the fiscal year being consumed. These revenues are down compared to last year’s actuals through May and against current year budget as the Library started to offer free Wi-Fi in 2018. For the FY 2019-20 budget these revenues will be budgeted lower.

Investment Earnings:
The Library takes a conservative approach when budgeting for Interest Revenues as the investment markets can be, and have been, quite volatile. While we appreciate the current investment market results, we will continue to monitor the investment markets with our investment advisors to ensure the principal of our funds are safe and secure.

Internet Discount:
This account is used to record a “rebate” we receive from the Federal Government based on our purchases of Internet Connectivity Equipment. This “rebate” is based on purchases and extensive application process between July 1st and June 30th of each year. This revenue is normally received in the later half of the fiscal year.

Transfer From Tax Collector:
This account is used to record our revenue share from the Tax Collector Office and is normally received in the August / September timeframe.

Defined Benefit Pension Plan:
The Defined Benefit Pension Plan Expenditures are at 85% of the budget vs 67% of the fiscal year being consumed. This Plan is a traditional retirement plan covering full time employees hired prior to January 1, 2007. This Plan closed to new employees starting in January 2007.

Contributions to the Plan are actuarially determined at the beginning of each calendar year. As noted in the March 31, 2019 financial statements, this fund experienced an unfavorable investment return in calendar year 2018. We expect to overspend this account by approximately $271,000 in the current fiscal year.

Professional Services:
The Professional Services Expenditures are at 68% of budget, and are in line with 67% of the fiscal year consumed. The five year average through May for this account is 81% of budget, so we are using these services sparingly so far this year.

Other Contractual Services:
The Other Contractual Services Expenditures are at 54% of budget vs 67% of the fiscal year consumed. The expenditures in this include such services as police service, banking fees, Brinks services, marketing and programming. The five year average through May for this expenditure is 58%, as approximately 42% of the expenditures occur over the Summer months, with our Summer Reading Program.

Building Improvements Expense:
The Library budgeted $1,500,000 to expand the South Creek Branch which will not occur in FY 2018-19. We also budgeted $350,000 for the Emergency Generator Replacement Project of which the design will occur in FY 2018-19 and construction will occur in FY 2019-20. Similarly, we budgeted for $335,000 to renovate the restrooms at the South Trail and Southeast Branches. The design will occur in FY 2018-19 and construction will occur in FY 2019-20.

Orange County Library System
Board of Trustees Meeting
June 13, 2019

Dashboard: May 2019
The Melrose Center welcomed 172 new members in May, while 7,560 people visited the Center throughout the month.

We received 977 new card requests via online registration and were able to successfully process 686 of them. Of the 686, 630 were adult cards and 56 were juvenile cards. Additionally, 12 library cards were automatically renewed. The requirements for automatic renewal are a card in good standing and circulation within the last twelve months.

Overall, digital usage was up 9% comparing May 2019 to May 2018. This continues the trend of increased usage of digital resources and a new overall record was set with 193,566 checkouts in one month. Records were set with OverDrive having 126,697 checkouts and Kanopy with 1,258. RBStreaming continues to gain popularity. Acorn was the top performer with 552 views and 68% of usage. This is followed by Qello (140 views/17%), Great Courses (112 views/14%) and Pongalo (3 views/0%). New registrations last month for Hoopla were 547. The average number of circs per user was 4.1 and 767 users used the maximum 10 borrows. The Hoopla usage breakdown remains consistent: Audiobooks at 47%, Movies/TV 15%, Music 9%, ebooks 22% and Comics 7%.
In May, we focused a lot of our resources on promoting our first-ever Library After Hours event, featuring author Brittany Hennessy, who wrote the breakout bestseller, *Social media saw an increase of 25.51% in overall followers for May 2019 over May of last year. The event was positioned to capture the millennial-aged, social media savvy audience in Orlando. The event turned out to be a smashing success with 142 people in attendance and nearly $3000 raised for the Friends of the Library through ticket sales. We received several dozen social media mentions on Instagram, where we presented compared to system-wide last year. This resulted in a decrease of 347 attendees or 7.35% less events and attendance up 7.6% and attendance up 6.36% compared to last year. We offered 80 more events this year with an increase of 1,723 people in attendance. Classes were down 12.96%. In May 2019 231 fewer classes were presented compared to system-wide last year. This resulted in a decrease of 347 attendees or 7.35% less people for classes from last year. May 2019, we presented 88 Offsite events reaching 846 people last year; we presented 97 Offsite events and reached 1152 people. This year, we attended 36 Community events reaching 1059 people. Last year we attended 37 Community events and reached 895 people.

The May 18 Orlando Book Festival at the Orlando Public Library provided 1,571 attendees with the opportunity to enjoy writing panels, workshops, and lightning talks from bestselling authors from all over the country. The May 19 Orlando Book Festival at the Orlando Public Library marked the culmination of a year of volunteerism for 220 volunteers, their families and friends, and community members. On May 10, 142 attendees visited the Orlando Public Library for the Friends of the Library sponsored after hours event featuring social media influencer and author Brittany Hennessy. During the event, Brittany presented her talk titled "Influencer: Building Your Personal Brand in the Age of Social Media." The event was positioned to capture the millennial-aged, social media savvy audience in Orlando. The event turned out to be a smashing success with 142 people in attendance and nearly $3000 raised for the Friends of the Library through ticket sales and event sponsorships. We received several dozen social media mentions on Instagram, Facebook, and Twitter as a result of the buzz the event created. Plus, surveys from guests who attended the event were extremely favorable with nearly every single attendee indicating they strongly agreed that they found the content of the program valuable and they would recommend the program to a friend or family member. The library also left an extremely favorable mark on Facebook and Twitter as a result of the buzz the event created. Plus, surveys from guests who attended the event were extremely favorable with nearly every single attendee indicating they strongly agreed that they found the content of the program valuable and they would recommend the program to a friend or family member. Request to Serve Alcohol:
Danielle King
Request to Serve Alcoholic Beverages
at the Romance, Wine and Chocolate Event

I. Overview
On Friday August 30, 2019, the Chickasaw Branch Library will host an after-hours author event in entitled “Romance, Wine and Chocolate.” The Library would like to serve wine at this event. As stated in the adopted Alcoholic Beverage Policy (please see below), Board approval is required to serve alcoholic beverages.

II. Options
Option 1: Board approves the serving of alcoholic beverages in accordance with the Board-approved policy.
Advantage: The event offers an evening of enjoyment and may attract new people to the library.
Disadvantage: There is a degree of risk incurred when alcoholic beverages are served.

Option 2: Board does not approve the serving of alcoholic beverages.
Advantage: Decreased risk if no alcohol is served.
Disadvantage: Alternative plans for refreshments would have to be put in place.

III. Recommendation
Staff recommends approval of Option 1.

Library Alcoholic Beverage Policy (Revised and Approved by the Library Board of Trustees August 12, 2004)

Alcoholic Beverages may be served for the purpose of fundraising and various Library-sponsored development and promotions projects or approved events, when the following requirements are met:

* The event is sponsored by the Library or Library approved
* The Library Board of Trustees has approved alcoholic beverages to be served, and
* A licensed bartender, caterer, or other entity which provides liquor liability insurance coverage, is engaged to serve beverages, and
* The bartender, caterer, or other entity executes an agreement which shall:

1. Hold the Library harmless and indemnify the Library against liability arising from alcoholic beverages willfully and unlawfully served to a person who is not of lawful drinking age or knowingly served to a person habitually addicted to the use of any or all alcoholic beverages; and
2. Require the bartender, caterer, or other entity to comply with all County, State, and Federal laws governing the service of alcoholic beverages.
RESOLUTION TO APPROVE THE SERVING OF ALCOHOLIC BEVERAGES AT AN AFTERHOURS EVENT AT THE CHICKASAW BRANCH LIBRARY.

Minutes of a regular meeting of the Board of Trustees of the Orange County Library System, Orange County Florida, held in the City of Orlando on the 13th day of June 2019 at 6 p.m. prevailing Eastern time.

PRESENT:

ABSENT:

The Board Resolves:

1. To authorize the serving of alcoholic beverages in accordance with the Board-approved policy at the event on August 30, 2019 at the Chickasaw Branch Library.
2. All resolutions that conflict with the provisions of this resolution are rescinded.

Herndon Lease Amendment:
Danielle King
Herndon Branch Lease Fifth Amendment

**Issue Statement:**
The current lease Amendment for the Herndon Branch expires in October 2019. The Board is being asked to approve an Amendment to the lease for one additional year. Additionally, staff recommend that the Board authorize Mary Anne Hodel, Library Director/CEO, to execute the Amendment.

**I. Overview**
The Herndon Branch is located in 13,160 square feet of leased space in the Colonial Promenade Shopping Center on East Colonial Drive. The original lease was for ten years and was approved by the Board in 1998. In 2008, the lease was renewed for five years. There was an Amendment to the lease for one additional year approved in April 2013, two additional years approved in April 2014, two additional years approved in April 2016 and one additional year approval in 2018.

The Greater Orlando Aviation Authority (GOAA) is the owner and in control of the building. The center is in a state of flux and staff have been in discussion with GOAA about the future of the property. GOAA has made some improvements to the property by painting the building, replacing signage, replacing the roof and updating parking lot lightening. For several years, staff worked with brokers from CBRE and evaluated other options in the immediate area, but a suitable replacement site has not been located.

After discussions with GOAA, a Fifth Amendment is proposed. This Amendment extends the lease term from October 26, 2019 to October 25, 2020 and includes no annual increase in the base rent with a right by either party to terminate with 90 days’ notice. The Landlord has the right to relocate the branch, at Landlord’s expense to another space in the shopping center with 90 days written notice. Currently, the cost of leasing the space, base plus CAM, is $188,847 annually.

The Library Board is being asked to consider the following options:

**Options:**

**Option 1:** Approve the Fifth Amendment and Authorize the Director/CEO to execute it.
**Advantages:**
A. A shorter term lease allows the Library System greater flexibility in the future.
B. The Fifth Amendment provides for one more year of operation at a site that meets a community need.
C. GOAA is making improvements to the center.

**Disadvantage:**
A. There is no certainty regarding the Branch at the center when the amendment expires.

**Option 2:** Do not approve the Fifth Amendment.
**Advantages:**
A. The costs of leasing the facility would be saved.
B. There could be a cost savings if the branch is relocated to a less expensive center.

**Disadvantages:**
A. A new location would need to be found or the branch would close.
B. Library customers could be upset and have to find alternatives for library service.
C. There could be storage costs for the contents.

**II. Recommendations**
Staff recommends Option 1, to approve the Fifth Amendment and authorize the Director/CEO to execute it.
FIFTH AMENDMENT TO LEASE

This FIFTH AMENDMENT TO LEASE ("Fifth Amendment") is made effective as of the day of ______________ , 2019 (the "Effective Date") between THE GREATER ORLANDO AVIATION AUTHORITY, a public agency authorized by Chapter 98-492, Laws of Florida ("Landlord"), and ORANGE COUNTY LIBRARY SYSTEM ("Tenant") (Landlord and Tenant may hereinafter be jointly referred to as the “Parties”).

RECITALS

WHEREAS, Landlord's predecessor-in-interest, LW-SSP2-L.P., and Tenant entered into that certain Retail Lease dated June 1, 1998 ("Original Lease"), as amended by that First Amendment to the Lease Agreement between WCPRT Colonial Promenade LLC ("WCPRT") and Tenant dated April 17, 2013 ("First Amendment"), and that Second Amendment to the Lease Agreement dated April 21, 2014 ("Second Amendment"), and that Third Amendment to the Lease Agreement dated April 11, 2016 ("Third Amendment") and that Fourth Amendment to the Lease Agreement between Landlord and Tenant dated May 16, 2018 ("Fourth Amendment") (collectively the "Lease") for the lease of the premises described therein and located at 4324 E. Colonial Drive, Suite 4324, containing approximately 13,160 square feet (the "Premises") in that certain shopping center in Orlando, Florida, commonly known as Colonial Promenade Shopping Center (the "Shopping Center"), for a lease term (the "Term") expiring on October 25, 2019; and

WHEREAS, Landlord acquired title to the Shopping Center and succeeded to the interest of the landlord under the Lease;

WHEREAS, the Parties desire to extend the Term of the Lease pursuant to the terms and conditions set forth herein as of the Effective Date.

NOW THEREFORE, for good and valuable consideration and the mutual promises and covenants contained herein, Landlord and Tenant hereby agree to modify the Lease as follows:

1. Definitions and Recitals. All capitalized terms used in this Fifth Amendment shall have the same meaning as set forth in the Lease, unless otherwise defined in this Fifth Amendment. The Recitals are incorporated into and made a part of this Fifth Amendment by this reference.

2. Extension of Term. The Term of the Lease is hereby extended for one (1) additional year (the "Extended Term") commencing October 26, 2019 and expiring October 25, 2020 (the "Expiration Date") under all the same terms, covenants, and conditions of the Lease, except as expressly modified in this Fifth Amendment. From and after the date hereof, the words "Term" or "Term of Lease" as used and defined in the Lease, as amended hereby, shall mean the initial Term, as previously extended and as extended through October 25, 2020 pursuant to this Fifth Amendment. The Annual Rent for the Extended Term shall be as set forth in paragraph 3 below.

3. Annual Rent. During the Extended Term, Tenant shall continue to pay Annual Rent in the manner required under Section 2 of the Original Lease, as amended, in the following amount and according to the following schedule:

<table>
<thead>
<tr>
<th>Period</th>
<th>Annual Rent</th>
<th>Monthly Rent</th>
<th>Annual Rent per SF</th>
</tr>
</thead>
<tbody>
<tr>
<td>10/26/19 – 10/25/20</td>
<td>$147,392.04</td>
<td>$12,282.67</td>
<td>$11.20</td>
</tr>
</tbody>
</table>
4. **Brokers.** Each party hereby represents and warrants to the other that it has not dealt with any real estate broker or agent in connection with this Fifth Amendment. Each party shall indemnify and hold the other harmless from any cost, expense, or liability (including costs of suit and reasonable attorneys' fees) for any compensation, commission or fees claimed by any real estate broker or agent, other than Tenant's Broker and Landlord's Broker, in connection with this Fifth Amendment or its negotiation by reason of any act or statement of the indemnifying party.

5. **Counterparts, Electronic Delivery.** This Fifth Amendment may be executed in several counterparts, each of which is deemed an original, but all of which together constitute one and the same Fifth Amendment. This Fifth Amendment may be executed and delivered electronically with such signatures being deemed original signatures for purposes of enforcement and construction of this Fifth Amendment. Any party delivering an executed Fifth Amendment electronically shall also deliver an original executed Fifth Amendment; provided, however, the failure of a party to deliver an original will not affect the ability of the other party to rely on an electronically executed and/or delivered Fifth Amendment.

6. **No Further Modifications; Full Force and Effect: Conflicts.** Except as expressly modified in this Fifth Amendment, all other terms and conditions of the Lease, as amended, are hereby acknowledged by Landlord and Tenant and shall remain in full force and effect. The terms of this Fifth Amendment shall control over any other inconsistent terms of the Lease.

7. **Executory Authority.** Landlord and Tenant each have the authority to enter into this Fifth Amendment and bind such party to the terms hereof.
IN WITNESS WHEREOF, Landlord and Tenant have executed this Fifth Amendment as of the above written Effective Date.

Contractor Ranking – Restroom Renovation Projects:
Kris Shoemaker
General Contractor Selection For The Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project

I. ISSUE STATEMENT:
A General Contractor (GC) needs to be selected for the Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project. Board approval is needed for the ranking of the three (3) GC firms previously selected and to authorize staff to negotiate and execute a contract for GC services.

II. BACKGROUND & SUMMARY:
The Library’s Southwest, South Trail and Southeast Branch locations have been in operation in excess of 20 years and are quite popular with the local patrons. With the heavy use comes wear and tear on their fixtures and thus the restroom areas at each location needs to be updated. The following selection process was used to select the three (3) firms presented for the Library Board review. The process creates a competition among GC firms based on their experience, qualifications and different project approaches.

The general process is:
1. Library advertises a Request for Qualifications (RFQ) for the required services on the Orange County Florida Procurement Website, which sends notification to all of their registered firms for the specified requested service. The RFQ is also sent to Orange County and the City of Orlando Minority and Women Business Enterprise offices for distribution to their registered firms as well.
2. Firms submit their qualifications for consideration.
3. Selection Committee, in this case consisting of Mary Anne Hodel, Tami Berry and Kristopher Shoemaker, creates a short list preferably of no fewer than three (3) qualifying firms, which submitted proposals and satisfied the requirements of the RFQ, for oral presentations.
4. Each of the qualifying shortlisted firms make a presentation to the Selection Committee to present their qualifications and experience, to share their proposed approach to our project, to present a proposed timeline and answer any questions from the Selection Committee.
5. Selection Committee determines a ranking of the presenting firms and sends a maximum of three (3) qualifying firms to the Library Board for consideration.
6. Library Board approves, modifies, or rejects the Selection Committee’s ranking and authorizes Staff to negotiate with the top ranked firm and to execute a contract for the specified requested services. If that negotiation fails, negotiations begin with the next ranked firm.
7. If the negotiated price is in excess of $100,000, the Selection Committee brings the contract back to the Library Board for approval.
8. Contract is executed by staff.

The Library received three (3) responses for the RFQ and all three (3) companies qualified. Axios Construction Services, LLC, J. Costa Group LLC and Ruby Builders Inc. made presentations to the Selection Committee on June 4, 2019. After hearing all the presentations and discussing the evaluation criteria stipulated in the RFQ (Qualification of the Firm, Qualification of Key Personnel, Proposal Approach, and Schedule/Timetable), the Selection Committee graded the firms as follows:

- Axios Construction Services, LLC  300 Points
- J. Costa Group, LLC    410 Points
- Ruby Builders, Inc.    460 Points

The lowest score is 100, the maximum score is 500. Only qualifying firms with a score of 300 or more are considered for advancement to the next level of review.
Based on this scoring system, the selection Committee determined the following ranking:

1. Ruby Builders, Inc.
2. J. Costa Group, LLC
3. Axios Construction Services, LLC

For staff to proceed, we seek two actions from the Board:

- First, the Library Board is being asked to approve this ranking, modify it, or reject it.
- Second, the Library Board is being asked to authorize staff to negotiate and execute a contract for GC services with the leading firm for the Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project.

The size of this project is such that the contract amount for GC services will require additional Library Board approval.

III. FIRM RANKING OPTIONS:

**Option 1:** Approve the firms ranking recommended by the Selection Committee as follows:
1. Ruby Builders, Inc.
2. J. Costa Group, LLC
3. Axios Construction Services, LLC

**Advantage:**
The Selection Committee determined that the first ranked firm will provide the best GC services for the Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project.

**Disadvantage:**
The 2nd ranked firm also has good qualifications. The 2nd ranked firm may not deliver the project on-time.

**Option 2:** Select a different ranking of the GC firms.

**Advantage:**
The alternate ranking of GC’s could result in a better or a different construction outcome.

**Disadvantage:**
The first ranked firm has a good grasp on the project approach, which provides more comfort with the project being completed on-time.

**Option 3:** Throw out all three (3) firms and begin the selection process again.

**Advantage:**
Other firms could be considered.

**Disadvantage:**
This will take more time, delaying the project, and might not produce a better result.

IV. FIRM RANKING RECOMMENDATION:
The Selection Committee recommends Option #1.

V. CONTRACT RECOMMENDATION:
Staff recommends the Library Board to authorize staff to negotiate a contract for GC services with the approved firms in order of rank and bring the contract back to the Library Board for authorization.
General Contractor Selection For The Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project

Minutes of a regular meeting of the Board of Trustees of the Orange County Library System, held in the City of Orlando, on the 13th of June, 2019, at 6:00 pm, prevailing Eastern Time.

PRESENT:

ABSENT:

The Board Resolves:

1. To approve the following ranking of firms for GC services for the Southwest, South Trail and Southeast Branch Restroom and Staff Breakroom Refurbishment Project, and to authorize staff to negotiate a contract for GC services with the approved firms in order of rank.

   1. Ruby Builders, Inc.
   2. J. Costa Group, LLC
   3. Axios Construction Services, LLC

2. All resolutions that conflict with the provisions of this resolution are rescinded.

RESOLUTION DECLARED ADOPTED:

__________________________________
Secretary
Plan Administrators Appointment: Kris Shoemaker
Appointment of Plan Administrators

I. ISSUE STATEMENT
The Library Board is being asked to appoint administrators to administer the Library’s pension, deferred compensation, and flexible benefit plans.

II. EXECUTIVE SUMMARY AND BACKGROUND
The Library administers the following plans on behalf of Library staff:

Defined Contribution Pension Plan – Account based plan, similar to a 401(k) plan in the private sector, provided to all employees in lieu of participation in Social Security.

Defined Benefit Pension Plan – Traditional retirement plan covering full time employees hired prior to January 1, 2007.

Money Purchase Pension Plan – Account based plan, similar to a 401(k), provided to full time employees hired on or after January 1, 2007.

457 (b) Deferred Compensation Plan – Plan allows employees to defer a portion of their taxable compensation.

457(f) Deferred Compensation Plan for the Director – This plan was established as part of the Director’s Employment Agreement.

Flexible Benefit Plan – Plan allows employees to pay for certain health care costs, including premiums for any dependent insurance coverage, on a pre-tax basis.

Each of the above plans is administered in accordance with a separate plan document. While the duties vary from plan to plan, each of the plan documents provides for the role of administrator. Some of the plans allow any person to be appointed administrator while others stipulate only certain Library positions. The 457(f) Deferred Compensation Plan for the Director precludes the Director from serving as an administrator. The key responsibilities of administrator can be summarized as follows:

- Interpret and construe provisions of the plan, decide any disputes which may arise relative to the rights of the participants and in general, direct the administration of the plan.

- Determine the eligibility of any individual to participate in the plan.

- Maintain all necessary records for the administration of the plan.

- With respect to the Defined Benefit Pension Plan, the administrators also monitor the performance of the investment managers.

The administrators consult with professionals, including investment advisors, actuaries, and pension attorneys, as needed to administer the plans. While the Library purchases fiduciary insurance to cover a portion of the plans assets, the Library employees who serve as administrators have personal liability and receive no additional compensation for serving in this capacity.

In March 2011, the Library Board appointed Mary Anne Hodel, Robert Tessier, and Craig Wilkins as plan administrators. With the recent retirements of Craig Wilkins and Robert Tessier, staff is recommending some changes in the plan administrators.
The following options are offered for the Library Board’s consideration.

III. OPTIONS

**Option 1** – Appoint Mary Anne Hodel, Steve Powell, and Kristopher Shoemaker as plan administrators for all the above listed plans with the exception of the 457(f) Deferred Compensation Plan for the Director. For that plan, appoint Steve Powell and Kristopher Shoemaker as plan administrators.

*Advantages:*

1. Mary Anne Hodel has served as an administrator since 2002, and is knowledgeable about the plans, and deals with them on a regular basis as part of her position at the Library. Steve Powell and Kristopher Shoemaker have been attending and participating in recent meetings with our actuary, investment advisor, and some of the investment managers for the Defined Benefit Pension Plan. Kristopher has experience with similar plans from his previous employer and brings that knowledge to OCLS.

2. All three individuals have indicated a willingness to serve as administrators.

*Disadvantage:*

A relatively small group is responsible for administering all the plans.

**Option 2** – Select other individuals to serve as administrators.

*Advantage:*

Involves different individuals in the administration of the plans.

*Disadvantage:*

It would be very difficult for individuals who do not deal with the plans as a regular part of their job duties to become and stay knowledgeable about the requirements in the plan documents.

IV. RECOMMENDATIONS

Staff recommends Option 1 to appoint Mary Anne Hodel, Steve Powell, and Kristopher Shoemaker as plan administrators for all the above listed plans with the exception of the 457(f) Deferred Compensation Plan for the Director. For that plan, appoint Steve Powell and Kristopher Shoemaker as plan administrators. Further, staff recommends:

- The formal removal of Craig Wilkins and Robert Tessier as plan administrators.

- That the plan administrators approved by the Library Board serve in that capacity until their employment with the Library terminates or if removed sooner by the Library Board. Upon termination from employment, the status of plan administrator automatically terminates.

- That the plan administrators have the specific authority to select, contract with, and terminate advisors and other professionals including investment consultants, pension attorneys, actuaries, trustees, and investment managers.
Minutes of a regular meeting of the Board of Trustees of the Orange County Library System, City of Orlando Florida, held on the 13th day of June, 2019 at 6:00 pm, prevailing Eastern Time.

The Board Resolves to:

1. Appoint Mary Anne Hodel, Steve Powell, and Kristopher Shoemaker as plan administrators for all the above listed plans with the exception of the 457(f) Deferred Compensation Plan for the Director. For that plan, appoint Steve Powell and Kristopher Shoemaker as plan administrators.

2. Formally remove Craig Wilkins and Robert Tessier as plan administrators.

3. Stipulate that the plan administrators approved by the Library Board serve in that capacity until their employment with the Library terminates or if removed sooner by the Library Board. Upon termination from employment, the status of a plan administrator automatically terminates.

4. Stipulate that the plan administrators have the specific authority to select, contract with, and terminate advisors and other professionals including investment consultants, pension attorneys, actuaries, trustees, and investment managers.

5. All resolutions that conflict with the provisions of this resolution are rescinded.

June 13, 2019

Discussion & Possible Action Items
Orange County Library System
Board of Trustees Meeting
June 13, 2019

Director’s Report
Director’s Report: June 2019

Staff are pleased to learn this month that the Orange County Library System has received preliminary funding confirmation from Orange County’s Citizens Review Panel. Pending final approval from the Orange County Board of County Commissioners, the library will receive $500,000 from the county to fund expansion of the BizKids program, which teaches children basic entrepreneurial skills, like creating a business plan and running a storefront. The funding will make it possible to expand BizKids at the North Orange, Hiawassee, Washington Park, Fairview Shores, Southeast and South Trail branches, as well as at Main.

On May 10, OCLS hosted a successful author event in partnership with the Friends of the Orange County Library System. Social media influencer and author Brittany Hennessy came to the Orlando Public Library to speak to a crowd of approximately 140 people about the power of social media marketing. Tickets to the event ranged from $35 to $50, and Ford, Orlando Blog Con, Pulptown Media and Bungalower were event sponsors. The event raised nearly $3,000 for the Friends, and the library received several dozen social media mentions in Instagram, Facebook and Twitter as a result of the buzz the event created. The library also left an extremely favorable mark on the author, who noted during her talk that the production quality of the event was better than the production and experience she’d encountered on the TODAY Show. Going forward, staff hope to stay in contact with the influencers they connected with through the event to work with them on elevating the profile of the library on social media.

OCLS also hosted the annual Orlando Book Festival on May 18, which featured writing panels, workshops and book signings from bestselling authors from all over the country. Opening and closing keynote speeches were delivered by New York Times bestselling authors Daniel José Older and Delilah S. Dawson. More than 500 people attended the event.

With support from Friends of the Orange County Library System, staff members participated in The Great Rotary Club of Orlando Swan Boat Race on May 16, an event that supports literacy programs in the community. Our teams placed a respectable 4th and 5th out of 16 teams, but more importantly the library was messaged multiple times and our goodwill was appreciated by potential community partners.

Looking forward, staff expecting to have a very busy weekend starting June 21. On Friday, June 21, OCLS is partnering with Orange County, the City of Orlando, the Orange County Regional History Center, the Truth and Justice Project and the Equal Justice Initiative for the unveiling of the EJE Lynching Memorial Marker Unveiling, which honors July Perry, an African-American citizen of Ocoee who was lynched the day after Election Day 1920 for encouraging African-Americans to vote. Our role in the event is to host an address from Bryan Stevenson at the Equal Justice Institute following the unveiling of the marker. Event organizers are projecting a very large crowd for this significant event, and we’re proud to be part of it.

On June 22, OCLS will host our annual Potterversary event, which has proven to be wildly popular with customers of all ages. Last year, more than 1,300 people attended, so this year the event has been expanded by one hour to give everyone a chance to immerse themselves in the various Potter-themed scenarios that will transform the library on that day.

On June 23, OCLS will close that weekend with a celebration of the 50th anniversary of the moon landing. In partnership with WUCF, OCLS will host previews of Chasing the Moon and Space Chase USA, two exciting new documentaries examining pivotal events in the race to the moon. Afterward, customers will have the opportunity to participate in a discussion with Elizabeth Muchow, Critical Part Inspector for Northrup Grumman (Apollo 11) and Roy Tharpe, Branch Chief in the Test Support Management Office at Launch Complex 39.

Staff are also in the process of gathering the creative elements needed to launch a larger advertising and marketing component of Learn. Grow. Connect. This spring, the library’s new tagline was introduced with what is called a whisper campaign – social media posts, collateral and messaging that positioned the library as
a place to learn, grow and connect with the community. When Summer Reading Program is over in August, staff plan to launch a wider campaign to advertise the tagline, highlighting people engaging in activities at the library that may seem unexpected or surprising – for example, we have images of people recording in the Melrose audio studio, participating in cooking programs or working on maker projects. We are also incorporating the Learn. Grow. Connect. tagline in the poster templates and other collateral, and staff are using the tagline in the ongoing well-received “These Three Things” segments that air each week in video format on Instagram and in audio format on Real Radio 104.1 FM. Each segment educates the audience about three events happening in one of the branches and reminds the audience that the “Orange County Library System is your place to Learn. Grow. Connect.”

Recent Systemwide Events

Melrose Center

- On May 5, *Melrose in the Mix* featured Orlando roots music luminary Beth McKee and her Funky Time Band. This was Beth’s second *Melrose in the Mix* appearance, as she performed at the very first session as a member of the Swamp Sistas in April 2017. Though this session “sold out” in advance with all 24 seats reserved, Central Florida was hit with severe weather that afternoon which hampered attendance. (Beth actually received several apologetic texts from fans saying they wouldn’t be able to make it due to the storm.) Still, we managed 12 attendees for the session. A few months ago, Melrose, Community Relations and WUCF got together to discuss making *Melrose in the Mix* into a 30-minute television program. With this in mind, we have begun approaching each session a little differently as we hope to capture interview footage of the artist(s) to weave in and around footage of the actual performance for TV episodes. Beth obliged us in this effort by arriving early to be filmed in the Melrose Conference Room, answering some queries about her music, influences and future projects. We hope to repeat this arrangement with upcoming *Melrose in the Mix* artists, as we look to prepare a number of potential Melrose in the Mix TV episodes. Melrose in the Mix again received attention in *Orlando Weekly*, this time promoting our upcoming session with emcee AMiAM: [https://www.orlandoweekly.com/Blogs/archives/2019/05/28/orlando-hip-hop-luminary-amiam-to-headline-the-librarys-next-melrose-in-the-mix-live-session](https://www.orlandoweekly.com/Blogs/archives/2019/05/28/orlando-hip-hop-luminary-amiam-to-headline-the-librarys-next-melrose-in-the-mix-live-session)

- On May 19, the Melrose Center held a joint Theatre and Photo Meetup called *Actor Headshots*. Actors who frequent the Center’s Out Tonight Theatre Meetups were encouraged to come pose for professional headshots. In addition to Winny Rivas being on hand to photograph participants, regular attendees of the Photo Meetups were invited to also photograph actors. The event was very successful, with 45 people attending (a number of photographers, but mostly actors). The meetup was scheduled to run until 5:30, but attendance was so great that we got everyone out just before the Library closed at 6:00.

- The Audio Meetup held on May 8 was called *Mixing Clinic*. Attendees were invited to bring in their latest tracks for a critique session. The Audio team also led guests through listening exercises and provided technique tips for engineers and producers. With the event promising to “bring your dead tracks back to life”, the team drew 14 attendees to the meetup.

- May 15 found the Video team hosting their meetup, *Film Feedback Focus Group*. The 13 attendees had an opportunity to screen a couple minutes of their latest video projects, with the Video team and fellow filmmakers providing feedback.

- *Say It Paint So!*, the live acrylic painting meetup led by Robert Jakab, returned on May 12 in the Fab Lab. It is always a popular event, and this time Robert led eight attendees through the painting lesson, and they each left with their own attempted masterpiece.

- On May 25, Juan Rivera led a Digital Media Design meetup called *Animating with Unity*. Five people attended the event, with Juan leading the group through the process of animating objects and graphics using the popular Unity game engine.

- The last *Open Mic: The Voice of Melrose* of the 2018-19 season took place on May 23, with eight performers and 22 people in attendance. As is our custom, we’ll break in June and July and start our fourth open mic season in August.

- The Fab Lab team hosted 13 *Makerspace Open Lab* all-day sessions during May, drawing a total of 149 people. We held two *Family STEM Saturdays* during May, with a combined 17 adults and 23 kids attending. On May 18, a total of 40 people visited the Fab Lab throughout the day during the back-to-back events.
Membership for Melrose Meetup groups continued to grow during May:

- Orlando Audio – 956 (+25)
- Orlando Digital Media Design – 851 (+33)
- Orlando Melrose Makers – 51 (+2)
- Orlando Out Tonight Theatre – 1,564 (+83)

Orlando Public Library, Melrose Center Tuesday, June 18, 1:30 p.m.
Model, rig and animate a 3D robotic arm. Learn the basics of the production workflow as well as modeling,
rigging and animation concepts and tools.
Maya Modeling
Orlando Public Library, Melrose Center Tuesday, June 18, 4 p.m.
Develop a detailed humanoid arm. Learn to extrude, sub-divide and sculpt a 3D mesh.

Melrose Meetups: Meet the Maker – Fabricio Takayassu
Orlando Public Library, Melrose Center Tuesday, June 25, 6 p.m.
Learn how to make your own board games! Local Maker Fabricio will discuss basic techniques and useful tips when setting out to create your own game. Then the Fab Lab staff will show you how to make your own puzzles with the use of our brand new laser cutter!

VR: Design a First-Person Game Level 1
Orlando Public Library, Melrose Center Thursday, June 27, 2 p.m.
Make a first-person perspective virtual reality game using the Unity game engine and head-mounted displays. Create game objects and mechanics for navigation and interaction. Learn the principles of designing for virtual reality to improve usability and avoid common pitfalls in VR design.

VR: Design a First-Person Game Level 2
Orlando Public Library, Melrose Center Thursday, June 27, 4 p.m.
Determine what components need to be accessed to control specific behaviors in a game. Learn how to initialize variables and implement custom functions.

YouTube Live Production for Families
Orlando Public Library, Melrose Center Thursdays, June 6 & 27, 10 a.m.–Noon
Does your child show interest in becoming a YouTube vlogger, but you don’t know where to begin? Team up with your child in this video production workshop to get a jump start on your first YouTube video. Learn each stage of the production process to create a high-quality intro YouTube video.

Modern Parenting
Super Family Science: Rocket Launch
Chickasaw Branch Saturday, June 29, 11 a.m.
Have you ever wanted to launch a rocket into space? Learn the basics of rocket science, build your own ship and get ready for countdown! This is an event for the whole family. Registration required.

Family Zumba
West Oaks Branch Saturday, June 15, 11 a.m.
Get your family moving with this energizing workout class! Learn basic Zumba moves to help you dance your way to fitness. Zumba uses dance aerobics to create a fun workout. Comfortable exercise clothing and cross training or aerobic style shoes recommended. Recommended for adults and children ages 4–13.

One Giant Leap: A 50th Anniversary Celebration of the Moon Landing
Orlando Public Library Saturday, July 20, 10 a.m. – 2 p.m.
Imagine you are witnessing history-making events through virtual reality experiences, expert speakers, and hands-on family activities. Presented in partnership with WUCF and the Orange County Regional History Center. Share your love for space exploration in our community, 60's or space-themed attire is encouraged. For more details visit, ocls.info/moonlanding.

Writing the Next Chapter: How Past Moon Missions are Shaping the Future of Exploration
11 A.M. Albertson Room
WMFE’s space reporter Brendan Byrne opens his reporter’s notebook to share his reporting on the 50th anniversary of the Apollo moon landing.
Worlds Beyond Our Own: New Exoplanet Discoveries by NASA’s TESS
1 P.M. Albertson Room
What weird and wonderful planets orbit the stars that shine brightly in our night sky? MIT researcher Natalia Guerrero shares TESS’s latest and most exciting exoplanet discoveries.

Family Activities:
Ready Jet Go Meet and Greet
Library Central, 10 a.m. – 12 p.m.
WUCF is landing at the Orlando Public Library! Bring your little earthlings to meet Jet Propulsion from PBS KIDS animated series, Ready Jet Go!

Moon Storytimes
Children’s Library, Papa Bear Room
Tiny Tales 9:30 a.m.
Toddler Time 10 a.m.
Storybook Fun 10:30 a.m.

Moon Crafts
Children’s Library, Under the Sea

Paper Airplane Physics
Learning Central, 10 am
Learn about the science of flight and then test your own designs on the library runway.

Family Challenge: Lunar Landers
Children’s Library, 1 pm
Find out if your family has what it takes to build a lunar lander capable of getting two mini marshmallow pilots safely to the moon’s surface.

Melrose Center Activities:
10 a.m. – 2 p.m.

Moon Buggy
Drive a lunar rover around the surface of the Moon and land a space shuttle from low Earth orbit in the VR and Simulation Lab.

Mission Transmission
Use a snap-circuit kit in the Fab Lab to build a radio and tune in to the Apollo 11 radio transmission.

Lunar Rover: Dash Around the Moon
Explore the moon with your own "Lunar" Dash Robot as you navigate the moon's surface.

One Small Step
Take your own small steps toward planting the flag on the Moon in the Melrose Video Studio!

Deep Space Sounds
Grab a seat in the Melrose Classroom and create a soundtrack for your space mission using littleBits Synth kits.

Lunar Exposure
Need a photo on the Moon to show all your Earthling friends? Head over to the photo studio! Remember: pics or it didn't happen.
Event Highlights:

**VR Experience: Journey into Space on the Apollo 11**
Technology and Education Center, 10 a.m. – 2 p.m.
Be a part of the greatest journey ever taken by humankind. Experience this historic event through the eyes of those who lived through it.

**VR Experience: Create Your Own Space Adventure**
An Augmented Reality Experience
Technology and Education Center, 10 a.m. – 2 p.m.
