

# Hobbying with the Melrose Center

[ocls.info/melrose](http://ocls.info/melrose)

## Makerspace Open Lab

Orlando Public Library, Melrose Center

*Thursday, January 19, 3:30 p.m.*

Are you looking for a space and tools to build your maker project? You bring your materials and project, we'll supply the equipment and tools! Come to our Makerspace Open Lab for help with circuits, soldering, 3D design, woodworking or programming. A specialized instructor will be available to assist you. All tools are available on a first come, first serve basis and use of the equipment requires basic proficiency and adherence to safety standards.

## Crafting with Electronics

Orlando Public Library, Melrose Center

*Sunday, January 8, 3 p.m.*

Have you ever wanted to introduce electronics to your craft projects? Explore the possibilities in our Fab Lab, with this hands-on introduction. Create a simple 20-minute project that you can take home while learning some of the basics of electronics and maker tools. A \$2 materials fee does apply.

## Sound Booth Fundamentals

Orlando Public Library, Melrose Center

*Monday, January 9, 11 a.m.*

Interested in starting your own podcast? Record it right the first time! This class will help you use the acoustically treated Sound Booths and equipment to your advantage. Explore the use of spatial acoustics, microphones and preamps to create great recordings.

## Melrose Creative Expo is coming!

We will be celebrating the third anniversary of the Melrose Center on Saturday, February 11, 1–4 p.m. Join us for studio demonstrations, live music and much more! Winners of the Melrose Awards will also be announced, honoring the top projects created in the Melrose Center over the past year.

## Exploring Electronic Music Production & Performance with DiViNCi

Orlando Public Library, Melrose Center

*Wednesday, January 11, 5:30 p.m.*

Take a dive into the world of beat machines, electronic music production and performance with special guest speaker, DiViNCi of legendary hip-hop group Solillaquists of Sound. DiViNCi will discuss and demonstrate what has helped him on his journey from being a small-town bedroom producer to touring the world performing and working with artists such as Ms. Lauryn Hill. We will also open a Q&A on working with MIDI controllers, samplers and live production tools both on stage and in the studio.

## The Voice of Melrose Open Mic

Orlando Public Library, Melrose Center

*Thursday, January 26, 6 p.m.*

Are you an independent artist looking for an outlet for your music or spoken work performance? Do you want to connect with other performers in the burgeoning Orlando artist community? Join us for The Voice of Melrose Open Mic. We seek to provide a venue for the community and foster collaboration amongst artists. Singers, poets, comedians and performers in general are encouraged to participate. This is Orlando's voice in the heart of Downtown. Sign up at [ocls.info/openmic](http://ocls.info/openmic).
