TechKrew: Tech 'N Color

Orlando Public Library, Melrose Center

Spider-Man – *Sunday, July 9, 2:30 p.m.*

Pokémon – *Sunday, July 30, 2:30 p.m.*

We're offering our popular Tech 'N Color class just for teens and tweens! Use pen and tablet technology to color stunning digital images that feature favorite characters from pop culture, all in a casual atmosphere. Ages 11–17.

Melrose Camp: Make Your Own Rubber Stamp Using CNC

Orlando Public Library, Melrose Center

Monday & Tuesday, July 17 & 18, 3 p.m.

Create a personalized rubber stamp! In this two-day camp, participants will be introduced to a CNC Web application and milling machine safety. Use Computer Aided Design (CAD) and a milling machine to design and manufacture their rubber stamp from start to finish. A material fee applies. Ages 7–10.

Melrose Camp: Game Design

Orlando Public Library, Melrose Center

Monday, July 17 – Friday, July 21, 2:30 p.m.

Explore the world of game design and create your very own video game using a professional game creation engine! From basic modeling to configuring characters to creating scene transitions, this five-day camp will show you how to work with Unity 3D to build the video game you've always wanted. Ages 11–17.

TechKrew: Design Your Logo Using Adobe Illustrator

Orlando Public Library, Melrose Center

Wednesday, July 5, 11:30 a.m.

Brand yourself by designing a logo using graphic design theory for concepts, color and font choices. Learn the basics of logo design using vector graphics tools. Ages 11–17.

NEW! Orlando Digital Media Design Meetup

Orlando Public Library, Melrose Center

Thursday, July 13, 6 p.m.

You can now find Digital Media Design related meetups - facilitated by Melrose staff - on its own group page. Learn about and RSVP to upcoming events on [meetup.com/OrlandoDigitalMediaDesign](https://www.meetup.com/OrlandoDigitalMediaDesign).
