You're a Whiz!

Show friends and family just how techie you are after taking fun and exciting technology classes this summer! Registration for June classes begins Saturday, April 1. Visit ocls.info/whizkids to find a class near you!

Space Explorers Camp

Take a virtual journey into space. This three-day camp is geared toward learning about our solar system, identifying the differences between planets and engaging in fun interactive activities. Ages 6–8 and 9–12.

Write a Persuasive Letter

Encourage your child to express their opinions. Students will explore the elements of effective persuasive writing and type a letter to support their main points. They will use common editing tools in Microsoft Word to illustrate creative writing techniques. Ages 9–12.

Build LEGO Video Games

Build real video games with LEGO Game Builder! Create custom worlds filled with interesting obstacles and baddies. Ages 6–8 and 9–12.

BizKids Camp: Developing Your Business Idea

Do you want to earn money? Do you have dreams of owning a business but don't know where to start? In this four-day camp you will develop a business idea, create a business plan, create marketing materials and pitch your concept to an audience. Ages 9–12.

Make a Pop Up Card

Design your own pop-up cards. Discover the world of paper engineering while you cut, fold and decorate pop-up cards. Ages 6–8 and 9–12.

It's Sew Easy Level 1

Join us in this basic sewing class and learn about sewing safety, basic sewing machine skills and stitching straight lines. Ages 6–8 and 9–12.

Join the Krew!

Check out exciting events, hands-on classes and fun activities. Become a part of the Krew today to see how you can create something new. Registration for June classes begins Saturday, April 1. Visit ocls.info/techkrew to discover how you can plug in.

Write a Business Letter

The few letters that you will write will probably be very important ones. Take the opportunity to equip yourself with an important life skill by learning acceptable ways to write a business letter. Learn the best practices for using Microsoft Word to format and edit your letter. Ages 13–17.

Minecraft Mods Camp: Battle Arena

Ready to create your own mods? Be the ruler of your Minecraft world: Strike lightning at opponents, spawn mobs to battle or harvest and build complex structures with a single click. Learn the basics of programming mods with the easy-to-use LearnToMod application in this three-day series. Ages 13–17.

Web Design Camp

Design an eye-catching web page. Program your page with HTML, CSS and JavaScript. Ages 13–17.

Improve Your Job Interview Skills

Learn about the interview process and what you can do to better prepare yourself for the big day! Become familiar with popular websites that provide supporting information. Ages 13–17.

It's Sew Easy: Tote Bags

Want to take the fashion world by storm? We will teach you everything you need to know to start sewing like a pro. Learn to sew your own tote bag from start to finish using patterns, fabric of your choice and professional sewing machines in this five-day camp. Each session will be two hours. Students are required to wear closed-toe shoes to this camp. Supported by the City of Orlando Mayor's Matching Grant. Ages 11–17.

Launch Orlando

Launch Orlando provides a place for professionals to meet, network and grow together. Our monthly meetups include informative presentations and hands-on practice with topics ranging from writing business plans, developing budgets, creating presentation materials, practicing elevator pitches and even launching websites. Visit meetup.com/LaunchORL for more information.

Your New Site

Learn how to build your own website. Start with the Create Websites Using WordPress class. WordPress.com offers many options for customizing your site. Already know your way around WordPress, but you have a question about the class? Register for the WordPress Open Lab to continue to work on your site.

Learn on the Go

Want to brush up on your Excel skills, but can't find the time? Check out our live online classes available during your lunch from the comfort of your own desk. An instructor will guide you through the lesson and answer your questions. Just mind the crumbs in the keyboard!

Improve Your Image

Register for Photoshop Level 1–5 at a library near you to learn the functionality of Photoshop. Become familiar with using selection and editing tools. Learn how to use layers, layer masks, free transform tools and text tools. Add layer styles, custom shapes, gradients and photo filters in this exciting series of classes.

Make Something Different

NEW! Crochet It Level 1

Start crocheting today! Create a unique coaster in your choice of color. Learn to chain, single crochet and fasten off your work. No experience necessary.

NEW! Crochet It Level 2

Add new stitches to your repertoire! The double and half double crochet stitches are great for blankets, hats, scarves and sweaters. Create a mug rug using these two new stitches.
