### **Orange County Library System to Host World AIDS Day Event**

On Thursday, December 1, the Orange County Library System will host a World AIDS Day of Remembrance event at the Orlando Public Library (101 E. Central Boulevard). From noon to 4 p.m., the Hope and Help Center of Central Florida will offer free HIV/STI education and provide free testing for HIV, AIDS and Hepatitis C in the library's Magnolia Room on the library's third floor.

The library will also screen PBS documentary *The Age of AIDS*, which uses interviews with world leaders, activists, scientists and patients to investigate the fight to overcome the deadly pandemic.
