

Free library cards are available to the residents of the Orange County Library District. The District is supported by the taxpayers of Orange County excluding those residing within the city limits of Maitland and Winter Park. If you reside in the Orange County Library District, you can print out this form, complete the requested information and bring it to any Orange County Library System location along with your valid Florida Driver's License or Identification Card showing your current residential address. If you are under 18, please visit a location with your parent or legal guardian to register. If you have any questions, please call 407-835-7323 for assistance.

Orange County Library District - Library Registration Form

I hereby apply for the privilege to check out materials from the Orange County Library System. I agree to comply with all regulations, pay all fines, pay for the loss or damage of materials charged to this card, and give immediate notice of an address change or the loss of my card. A fee will be charged to replace a lost card. I understand that I am responsible for all materials checked out from the System on the card and that my card and borrowing privileges are not transferable. Delinquent accounts may be handed over to a collections agency.
