Melrose Center Second Anniversary Celebration

Learn, Play and Create

Celebrate the Melrose Center Second Anniversary on
Saturday, February 6, 11 a.m. to 3 p.m.
with tons of activities and entertainment for the whole family!

Creative Workspace

From sewing to singing, learn more about the creativity and ingenuity the Orlando area has to offer. Exhibitors in the Creative Space will demonstrate robots, provide resources and show you how to plug in and play!

Audio Studio

Learn what it takes to make your world-class recording! Join us for live musical performances and interactive tours.

Fab Lab

There's always something new to learn! With hands-on demonstrations and activities, learn why our Makerspace is a *Fab*-ulous place to visit!

Photo Studio

Get your vogue on! Tour the studio and check out the available equipment and classes. Have your cameras ready! Capture the event and share your best photos on Flickr.

Video Studio

See yourself on the big screen! Play on the green screen and explore the tools videographers use to create movie magic! Picture yourself as a Creeper or soaring through the galaxy!
